

Stingray Annual Giving Campaign Letter 2022 - 2023

Dear Stingray Family,

Your Ocean Bay PTO has some pretty big plans for the school this coming year and we need your help in order to accomplish them all.

In lieu of many individual selling fundraisers throughout the year, we would like to ask you to consider making a one-time, tax deductible donation. Your generosity will go towards things like booking a professional motivational speaker to come during bully prevention and red ribbon week; school beautification projects to help kids feel a sense of pride in OBM; purchasing additional recess and playground equipment and more. Watch our web page @ obmpto.org to see how much we've collected towards our goal and for more information or better yet, come on out to one of our monthly meetings.

Our total fundraising goal for this school year is \$10,000. That works out to be about \$20 *per student*. If you can't give \$20, we are grateful for anything that you can share... and if you can give more, well then we are grateful for that too.

IF this letter works and we meet our fundraising goal, then the students are in for an amazing year! If our goal is not met, then you will be hearing from us again soon as we will coordinate fundraisers throughout the year because our kids deserve the best and we want to give it to them!

The PTO is always looking for volunteers, so if you have ideas to share and want to help shape the future of our school, then please reach out to us through our website or come say hello during a school event.

Here's to a fantastic 2022/23 school year for all of our Stingrays!

Many thanks,

Shelley Pettijohn
